

## Smith Brothers Farms Cheese of the Month May

### DANIEL'S ARTISAN BONNEVILLE

#### FLAVOR PROFILES:

This decadent double cream wedge has been washed in Washington State Syrah over several weeks during the aging process. It's rich, fudgy texture comes from added cream to an already rich milk.

#### FOOD & DRINK PAIRINGS:

This cheese is very versatile, pairing well with fruits such as raspberries and apples. It also pairs well with salty items like roasted nuts and cured meats. A Merlot or Sauvignon Blanc makes a great wine pairing, while clean finishing lagers and wheat beers are a good beer choice.
